Now Accepting Proposals: Administrative Supplement to Recognize Excellence in DEIA Mentorship

- NEW Administrative Supplement
- Recognizes the crucial role great mentors play in the development of future leaders in the scientific research enterprise
- Supplements are available for various ICs and grant types, including career development, training, cooperative, and Research Project Grants (R01). They will provide up to $250,000 in direct costs, not to exceed the direct costs of the parent award
- Proposals due April 7, 2022
